Featured Properties

Website Content Version 1.0 Updated 8 October 2026

Show your best listings on the homepage across four categories.

Featured Properties

Featured Properties are highlighted on the homepage.

Four categories

* Residential Sale
* Residential Rent
* Commercial Sale
* Commercial Rent

How to feature a property

In the CRM, open a property and click the star icon to mark it Featured. Only starred properties appear on the homepage.

Tip: Feature 4-8 properties per category for the best visual balance.
