Header

Website Content Version 1.0 Updated 8 October 2026

Edit your navigation menu, contact number, email, CTA button, and social icons.

Header

The header sits at the top of every page. Edit it under Website Content Header.

Navigation Menu

Add, rename, reorder, or remove menu links (Home, Properties, About, Contact, etc.).

Contact Number

The phone number shown in the header. On mobile it becomes a tap-to-call button.

Email

Your primary contact email. Visitors can click it to send you a message.

CTA Button

The prominent action button (e.g. "Get a Call Back"). Set its label and destination.

Social Icons

Add links to Facebook, Instagram, YouTube, LinkedIn, WhatsApp, etc.
