

Services

Website Content Version 1.0 Updated 14 September 2026

Add and describe the services you offer.

Services

Under Services you can add each service you offer with an icon, image, title, and description.

Adding services

Click Add Service, fill in the details, and save.

Editing descriptions

Keep each description to 2-3 lines. Focus on what the customer gets.

Icons

Pick from the icon library or upload your own SVG.

Images

Use consistent image styles for a polished look.
